

## Inn and Chiemsee - 8 days

During this cycling tour, you will travel on the Inn cycle path as well as on the cycle path around lake Chiemsee. Lovely Inn meadows, pure experiences of nature, dream-like views of the Alps and small historic cities - all of this awaits you during this bicycle tour through Bavaria.

### Day 1: Individual arrival to Wasserburg

Individual arrival to Wasserburg

### Day 2: Wasserburg - Mühldorf, ~51 km

The first cycling stage leads you along the Inn cycle path. You will cycle through lovely valley sections via Gars to Au, where you can visit the former Augustinian monastery. Travelling via Aschau, you will reach the medieval Inn city of Mühldorf.

### Day 3: Mühldorf - Burghausen, ~48 km

Travelling via Tüßling, you will cycle further to Altötting, the most important Marian place of pilgrimage in Germany. Here it is worthwhile to visit the "Black Madonna" in the Gnadenkapelle (mercy chapel). You then continue via Markt to Burghausen, where the longest castle complex in the world stands.

### Day 4: Burghausen - Lake Waginger See, ~46 km

You will first follow the Salzach up to Tittmoning. The city stands out with its town square with the facades in Inn-Salzach-style and is considered the largest of its kind. You will then travel into the health resort Waging am See, while enjoying the view of an impressive mountain panorama.

### Day 5: Lake Waginger See - Lake Chiemsee, ~30 km

From the warmest lake in upper Bavaria, you will first cycle into the 400 year old saline city of Traunstein. Here you can have a short break before you travel further to Lake Chiemsee. This is the largest lake in Bavaria with an area of 80 km<sup>2</sup> and is therefore also called the "Bavarian Sea".

### Day 6: Loop Chiemsee, ~51 km + ship ride

Today you can discover the Chiemsee Lake with all its facets! From Prien/Stock, you can enjoy a ship ride to the Herren Island (incl., without one's bike) and can visit the magnificent Herrenchiemsee castle. Travelling via Gstadt and always along the lake shore, you will travel back to your place of accommodation, as the day before.

### Day 7: Chiemsee - Wasserburg, ~65 km

You will cycle a leisurely journey through the gently curved Chiemgauer landscape up to Seon with its former Benedictine monastery. Passing Breitbrunn and Amerang, you will reach your departure point once again.
