

Moselle-Cycling-Trail | Trier - Koblenz - 7 days

Spend your bicycle vacation in the most famous wine growing region of Germany and along one of its most beautiful rivers, the Moselle. Admire the "Kaiserthermen" (Emperor's hot springs) and the Porta Nigra - historical buildings of first rank in the Roman city of Trier. On your cycle tour you reach famous towns like Bernkastel Kues, Traben Tarbach, Cochem, Neumagen Dhron (the oldest German wine town) and Enkirch, a jewel of the regional medieval "Fachwerk" (Tudor style) architecture. Visit Castle Eltz and enjoy romantic stretches on your ride to Koblenz. In the evening you find pleasure in regional delicacies brought to you by select restaurants. And don't fail to taste the art of the local winegrowers!

Day 1: Arrival in Trier

Individual arrival to the oldest city in Germany. Allow the last 2000 years to pass by in a time lapse during a city round trip and you will find world-known attractions. In the evening, you can enjoy the unique Riesling in one of the traditional wine taverns in Trier, as well as the atmosphere which is steeped in history.

Day 2: Trier > Trittenheim region, ~40 km

Today the route leads on the bank of the Moselle through tranquil wine villages. From Trittenheim, one can reach the other riverbank by crossing one of the oldest bridges and view the old, preserved ferry towers. One can enjoy a wonderful view over the Moselle valley from the vineyards above the village.

Day 3: Trittenheim region > Bernkastel-Kues/Zeltingen, ~30-40 km

Passing the oldest wine village in Germany, Neumagen-Dhron, you arrive at Piesport, where an impressively restored Roman cellar dating back to the 4th century awaits you. In the famous wine village Bernkastel-Kues, it is recommended to take a side-trip to the market square with half-timbered houses. Zeltingen displays a number of grand baroque buildings in Mosel tradition.

Day 4: Bernkastel-Kues/Zeltingen > Zell, ~35-45 km

Countless wine slopes are a delight to see, inviting one to take part in a wine-tasting in one of the traditional taverns. After Traben-Trarbach, you will arrive at the Moselle loop, the "Zeller Hamm". The Marienburg, around 900 years old, sits enthroned on the mountain ridge.

Day 5: Zell > Treis-Karden, ~50 km

Enjoy a wonderful view of Europe's steepest vineyard, the Calmont. One has a spectacular view over the Moselle valley from the peak. You will arrive in Cochem, known by its imposing fortress complexes as well as the Reichsburg, a landmark of German castle romance. During a tour of the historic mustard mill (incl.) you will learn interesting facts about the fine gourmet mustard.

Day 6: Treis-Karden > Koblenz, ~40 km

In Moselkern, it is worthwhile to take a small detour to the nearby Burg Eltz. The Moselle mouths into the Rhine at Koblenz. Experience the highlights of the two-river city of Koblenz from the water on a panoramic boat trip.
