

Salzkammergut de Luxe **** - 8 days

Travelling like a king from castle to castle. You're interested in outstanding cycling holidays in the beautiful area around Salzburg in Austria. Then we got the perfect bike tour for you. A tour through the Salzkammergut provides quiet bicycling along lake shores and through pristine countryside. Not far from the city of Salzburg, the landscape of Alpine foothills has a charm of its own. Small peaks tower above the background of the clean lakes and invite again and again to stop and take in the scenery. You bike past lush green meadows, mighty woods and jagged rocks. You bike through pastures and moor lands, imperial towns and picturesque villages, sometimes taking a narrow-gauge train or a lake steamship to help you along.
